Hi Stef,

When would we need to have the status report finalized for Anacostia Trash? The deadline is July 2 and I know HQs and DOJ typically like to have pencils down several days to a week ahead of time.

Hi Jennifer -

We are wondering if we need to provide comments on your draft by June 4 or if we need to send the letter requesting EPA establish the TMDL by that date? Also, when do you plan to send the letter to EPA? By July 2 or much earlier?

Thanks,  
Anna

Hi Everyone,

Thank you for attending the call on May 9<sup>th</sup>. As part of the next steps, I'm forwarding the draft status report due July 2, 2018 per the court's March 30, 2018 order. Please review the draft status report and send comments by **COB Monday June 4, 2018**. As discussed on the call, I'm also forwarding letters from states requesting EPA to establish a bacteria TMDL for the Ohio River. These can be used as examples for Maryland and the District to consider in preparing letters requesting EPA to establish the revised Anacostia River Trash TMDL. We can schedule a conference call to discuss further if needed. Please let me know if there are any questions or if additional time is needed. Thanks, Jen
